The features listed here are included due to their direct commercial opportunities. Each issue of Park World also includes many additional articles on new parks, rides, attractions and industry issues which may be of interest to particular advertisers. Please contact us nearer the relevant publication date for more details of what will be contained within each issue. Features subject to change.

PRINT

- **Display advertising options available in the following set sizes** - ¼ page, vertical or horizontal ½ page, full page or double page spread.
- **Front Cover Package** - Including a front cover advert, a page of editorial, a full page advert in the magazine and a 50 word cover story on the contents page.
- **Company Profiles** - Showcase your company's history, products and people with a company profile by Park World's own editorial team.
- **New Products** - Our editorial team is always happy to consider new products and services for our regular Ride Guide feature, but space prevents us from including them all. Guarantee your product's inclusion in your own words in our separate advertorial section.
- **Vertical Belly Band and Full Page Advert** - This vertical strip advert wraps around the contents page and includes all pages leading up to your full page advert, taking the reader straight to it.
- **4 Page Perforated Gatefold** - Leading either from the Inside Front or Inside Back Cover, this will effectively give you 4 full page advertisements. This is an interactive position as the reader will have to pull back the artwork to reveal all.
- **Product Showcase** - A valuable resource for key buyers and decision makers, inform the industry about your new products/services by booking a quarter page advertisement.
- **Polybag Sponsorship** - Each month our magazine is sent out to our readers in a polybag – we can display your artwork on this bag for 11 issues. This would also include 4 x full page adverts in the printed edition to be used throughout 2021.
- **Mouse Mats** – Sent to our full circulation, this is a powerful marketing tool as key buyers and decision makers will be met with your branding every time they use their computer. Price includes a 4 page spread and is exclusive to one company per year.
- **Web Guide** - Each month, in a regular position inside the magazine, Park World rounds-up a collection of online resources for the amusement industry. From ride manufacturers to show producers, ensure you are included in one of over 15 categories. For a low annual fee we will include your company logo and web address, with live links available in the electronic version of the magazine, Park World Digital, and on our website, Park World Online.
- **Handbook & Buyer's Guide** - Now in its third year, Park World's popular Handbook and Buyer's Guide will be distributed free with the Spring 2021 issue, and will be available as a download and online resource throughout the year.

DIGITAL

- **Online @ www.parkworld-online.com** - Park World has a great and easy to use website. Each month we upload the latest issue, along with news releases on a daily basis. www.parkworld-online.com has on average 5000 unique visitors each month and each unique visitor spends around 3 minutes 30 seconds searching through the site.
- **Banners, buttons, skyscrapers and MPUs** - available with discounts for series bookings.
- **Video** - Demonstrate your products and services with a video embedded onto the homepage of our website and within the body of your press release.
- **E-cast Email Blasts** - reach approx. 5,000 industry professionals via our 3rd party database with your own email campaign. Instant awareness and interactivity for your company.

Handbook and Buyers' Guide

Now in its Fifth year, Park World's popular Handbook & Buyers' Guide will be distributed free with the April 2023 issue, and will be available as a download and online resource throughout the year.

This easy-to-read guide will provide manufacturer and supplier contact details and bite-sized company profiles to all sectors of the theme park and attractions industry – allowing buyers to research the right products and services for their facilities. Also featured will be unique content including market reports and predictions for North America, Latin America, Europe, the Middle East and Asia, together with practical guides, 2023 exhibition dates, trade association listings and more.
